

## Chapter 3: Assignment Option #2

**Design a Parent Resource Center for Your School**

Consider the following:

1. The physical plant:
  - Size of your parent body and potential number of attendees
  - Number of parents you could accommodate at one time
  - Available space in the building
  - Level of staff support that can be provided
  - Access hours
  - Coffee corner
  
2. The services you might include:
  - Books – texts and parenting/teaching theory
  - Videos
  - Audiotapes
  - Translated material
  - Workshops
  - Scheduled informational meetings with teachers/experts
  - Special displays
  - Other:

You might wish to include sketches or diagrams of the proposed center in order to elaborate on your ideas when discussing this assignment with your mentors.
